Preparing for School

Be toilet-trained.

Know how to put on the school uniform, tie the shoe laces and be able to pack the school bag.

Be responsible for own belongings.

Sleep early and wake up early.

Be familiar with the books used in school.
I dreamed I stood in a studio
And watched two sculptors there,
The clay they used was a young child’s mind
And they fashioned it with care.
One was a **teacher**
the tools she used were books and music and art;
One was a **parent**
With a guiding hand and gentle loving heart.
And when at last their work was done,
They were proud of what they had wrought.
For the things they had worked into the child
Could never be sold or bought!
And each agreed she would have failed
if she had worked alone.

*For behind the parent stood the school,*
*and behind the teacher stood the home!*
